PERMIT PROCEDURE

1. Permit application is filed with appropriate information.

2. Permit application is reviewed for compliance with Village Ordinances and Codes.

3. If permit application is found in compliance with Village Ordinances and Codes:

   A) The permit is issued
   B) The applicant is notified the permit is ready
   C) The applicant pays appropriate permit fees and picks up permit
   D) The applicant must post the permit in the window or on the job site prior to construction. **No construction may begin without obtaining a permit.**

4. If application is denied:

   A) The applicant is notified by mail of the reason for denial
   B) The applicant may resubmit making the appropriate changes to the application (application is returned to step number two)
   C) The applicant may choose to seek a variance from appropriate ordinance (the applicant may seek a variance from the zoning, fence or sign ordinance. No variance from the building, electrical or plumbing codes is permitted)

      a) File a variance application with the Zoning Officer with appropriate fees
      b) Hearing in front of the Zoning Board of Appeals
      c) Application for the variance is forwarded to the Committee of the Whole with recommendations from the Zoning Board of Appeals
      d) The variance request is heard by the Committee of the Whole, and then is forwarded to the Village Board
      e) If the ordinance is adopted by the Village Board, the application is returned to step number three

The Village Board, by official Village Board Action is the only agent of the Village that has the authority to grant any variance from any ordinance. Any information provided or opinions expressed regarding ordinance variations by any Village official are not official actions of the Village and should not be relied upon.

I/we have read the above and understand the Village requirements for obtaining a permit.
