ACKNOWLEDGEMENT OF APPLICATION ONLY

This is an application only. Completion of this application does **NOT** entitle the commencement of construction. I, (the applicant) agree to conform to all applicable laws of the City of Aurora. I also agree that all work performed will be in accordance with the plans and specifications as set forth in the approved permit. I understand that the approval of this application and issuance of a permit does not preclude the need to comply with all applicable laws and ordinances. I agree to hold harmless and indemnify the City of Aurora for any claim against the City as the result of any act of commission or omission by or on behalf of the undersigned, his/her agent, principle, contractor, subcontractor or supplier. I the undersigned am the Owner or a duly contracted representative of the owner of said property. As part of this application process, I affirm that all the information herein is true and correct to the best of my knowledge. I authorize the City of Aurora to make any reasonable inspections of the property as part of the application and permit process.

By signing below, I attest that I have read and do understand the Zoning Ordinances outlined in this application.

DESCRIPTION OF WORK

_____

_____

_____

GENERAL PROJECT INFORMATION

Is the garage attached to the primary structure: ◯Yes ◯No

Square footage of the structure: _____sf

(Attached Garages over 768 sf require frost depth footings & foundation – Type B)

(Detached Garages cannot exceed 768 sf or 75% of principal building sf)

Does the structure have conditioned space: ◯Yes ◯No

Does the structure have insulated roof: ◯Yes ◯No

Does the structure have exterior insulated walls: ◯Yes ◯No

Does the structure have electric for interior use: ◯Yes ◯No

Does the structure have permanent windows and doors: ◯Yes ◯No

Does the structure have plumbing fixtures: ◯Yes ◯No

Does the structure have heat or AC appliance: ◯Yes ◯No

If any of the above questions are yes, then a continuous footing to frost depth shall be required and potentially a different permit type needed.

GENERAL REQUIREMENTS, CONDITIONS and ITEMS for SUBMITTAL

- **Reference the "Submittal Requirements, Application Timeframes and Inspection Contacts" handout for quantity of items to submit with completed application**
- **Complete construction drawings that show everything required to perform all work on project**
  - **Floorplans, sections, details, and elevations showing all construction materials, dimensions, structure, foundation, heights, etc.**
    - **Indicate direction and size of all lumber pieces (joists, rafters, trusses, ridge, etc.)**
  - **Electrical Plans as required showing components and sizes with balanced panel schedules, load calculations and one-line service diagrams**
  - **Plat of Survey or Site Plan as required to show lot lines, setbacks, existing structures, parking, curb cuts, fire hydrants, etc.**
- **Contractors must be licensed and registered with Aurora (not required at submittal, but prior to permit issuance)**
