AFFIDAVIT FOR HOMEOWNER ACTING AS CONTRACTOR

As owner of the premises addressed as _____ in Wheeling, Illinois, I, the undersigned, hereby certify that this property serves or will serve as my primary place of residence and I understand that by acting in the role of general contractor on the building permit for the above property, I shall abide by the following:

1. I am responsible for the management of the permitted project, including but not limited to, the actions of all subcontractors, whether or not listed on the permit, including any repairs to damages caused by my actions or actions caused by any subcontractors.

2. I will follow the Illinois Plumbing License Law (225ILCS 320/3)(from Ch. 111, par. 1103) Sec.3. states, "*for purposes of this subsection, a person shall be considered an "occupant" if and only if he or she has taken possession of and is living in the premises as his or her bona fide sole and exclusive residence, or in the case of an owner of a single-family residence under construction for his or her occupancy, he or she expects to take possession of and live in the premises as his or her bona fide sole and exclusive residence, for a period of not less than 6 months after the completion of the plumbing work performed pursuant to authorization of this subsection, or in the case of an owner of a single-family residence under construction for his or her occupancy, for a period of not less than 6 months after the completion of construction of the residence. Failure to possess and live in the premises as a sole and exclusive residence for a period of 6 months or more shall create a rebuttable presumption of lack of such intention*."

   A State of Illinois licensed PLUMBER must be listed as a subcontractor on the Application for Building Permit for all plumbing work on a property that does not meet the above-stated conditions.

3. For permits that include exterior work, including but not limited to, driveways, patios, and sewer line replacements, I am responsible for posting a bond payment of one thousand dollars ($1,000.00) to the Village of Wheeling. Said bond may be returned to me only upon completion of the permit, as verified through Village inspection of the work authorized under the permit.

4. I intend to occupy this home as my primary residence, and I acknowledge that I will be subject to a fine in accordance with the regulations of the Wheeling Municipal Code if it is determined that I have ceased to occupy the home within six months of the completion of the project.
