REQUIRED INFORMATION FOR A TREE REMOVAL PERMIT

A) The reasons for tree removal must meet Section 33-902(C) of Chapter 33 of the Village Code. Please check all that apply.

1) ___ Necessity to remove trees which pose a safety hazard to pedestrian or vehicular traffic or threaten to cause disruption of public service.

2) ___ Necessity to remove trees which pose a safety hazard to buildings.

3) ___ Necessity to remove diseased trees in accordance with Section 33-20l or trees weakened by age, storm, fire or other injury.

4) ___ Necessity to observe good forestry practices, i.e., the number of healthy trees that a given parcel of land will support.

5) ___ Necessity to remove trees in order to construct proposed improvements as a result of: need for access around the proposed structure for construction equipment; essential grade changes; surface water drainage and utility installations; location of the proposed structures so as to avoid unreasonable erosion landscaping.

6) ___ Necessity for compliance with other Village of Bolingbrook codes such as building, zoning development regulations and any other applicable ordinances.

B) A general description of each tree to be removed including height, species, and tree diameter as measured 2 feet above the natural grade.
