TOWN OF CICERO

Building Department

Instructions for completing Building Permit Application

Two (2) Copies of your completed application must be turned in to the Building Department.
We do not accept electronic permit applications at this time.

BUILDING PERMITS ARE NOT RELEASED TO ANY HOMEOWNER OR CONTRACTOR THAT HAS A DEBT TO THE TOWN. IF YOU OR YOUR CONTRACTOR HAS A DEBT TO THE TOWN, THE PERMIT PROCESS WILL BE DELAYED UNTIL THE DEBT IS PAID!!!

ANY CONTRACTOR PERFORMING WORK IN THE TOWN MUST BE LICENSED AND BONDED IN THE TOWN OF CICERO. NO PERMITS WILL BE ISSUED TO CONTRACTORS THAT ARE NOT LICENSED AND BONDED. IF YOUR CONTRACTOR IS NOT LICENSED AND BONDED IN THE TOWN, THE PERMIT PROCESS WILL BE DELAYED.

Please fill out the application completely, and legibly (please print). Incomplete applications will slow down the permit review process. It is your responsibility to supply us with all applicable information.

Part 1 (Homeowner Information):
Please complete the homeowner information, including a working telephone number. Also, choose whether this work is required from a Compliance Inspection, and whether the property is Commercial or Residential.

Part 2 (Contractor Information):
Please complete all applicable sections of this part for all contractors working on this project. **Copies of all applicable contracts must be attached to the application.** Please include working telephone numbers. Complete and sign if the homeowner is doing the work, please see "Commissioners Notes" on Application.

Part 3 (Project Information):
In this part, you will describe the work being applied for. Please be as specific as possible, as missing information may delay the permit process. The Town recommends that you answer the following questions when writing your narrative:

1. "Who" will perform the work and
2. "What," "where," and "how" the work will be completed, and
3. "Why" is this work being done?

For Example, "The general contractor will be removing and replacing an existing kitchen on the first floor apartment. This new kitchen will consist of new cabinets, new sink and dishwasher, new countertops, new hardwood flooring, new drywall, and new paint. This project is being done for personal preference. The layout of the kitchen will remain the same, and no structural elements will be changed. See attached floor plan."

Please check if you are using a dumpster or not – If yes, you need a dumpster permit.
Please check if you are using scaffolding – If yes, you need to attach the required scaffolding bond.

Part 4 (Building Department Comments):
Please do not write in this section, this is for Office Use Only.

Part 5 (Certification)
Please complete and sign this portion of the application, certifying all the information is accurate.

Sample List of Required Common Attachments:

1. Copies of all contracts associated with the work being performed.
2. For Cement Work, Fence Work, and Decks – Current Plat of Survey showing location of proposed work
3. For Interior remodeling – Drawings showing proposed work
4. Garages and/or additions – Stamped architectural drawings
